DUSE Otomotiv Dis Tic Ltd. operates as manufacturer as well as an exporter of AUTOMOTIVE SPARE PARTS

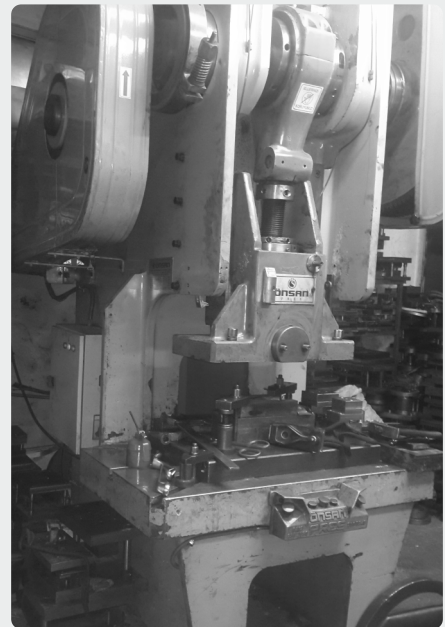

The company was founded 2008 and since 2010 the production of shifting cylinder applicable for EUROPEAN trucks started, since 2009 the export of TRUCK SPARE PARTS followed to known GERMAN and OVERSEAS distributors.

DUSE brand shifting cylinders, throttle valves, and exhaust elbow pipes stand for outstanding quality. Stringent quality standards are the aim of the DUSE product policy.

The continual improvement of the DUSE trading program and its respective marketing led during the last seven years to a betterment of the DUSE trading turnover.

The combination of manufacturing and trading will be continued during the next year. The extension of business by enlarging furthermore our manufacturing and trading range will be the objectives for the forthcoming years. We as Duse Otomotiv Dış Tic. Ltd. Şti. are manufacturer and exporter company in Istanbul/Turkey.
